

Visiteurs du monde

The Ursulines Museum welcomes visitors from all over the world.

COVID 19 : In accordance with government directives, a reduced gauge has been introduced to respect the sanitary recommendations. The respect of barrier gestures and the wearing of masks from 11 years old are mandatory for cultural activities.

Guided tours are possible in English. Please [contact us](#) in order to better plan your visit.

You may also **check the following brochures to learn all the practical information you need** in order to plan your visit :
